This is a nonsectarian and nondenominational healing art and it is available to people of all ages and backgrounds. Reiki is currently the most in-demand energy healing modality in the United States and around the world. It uses non-invasive gentle touch; accelerates the body's natural healing processes; supports mental and emotional healing; and gives an overall sense of profound well-being. It is utilized in hospitals, hospices, spas, wellness centers and private settings. In order to learn Reiki one must receive a series of attunements from a Reiki Master.

Painting with Gold - CH12 *Ages 6-10*

Gustav Klimt was a prominent Austrian painter who significantly influenced the Art Nouveau movement. Klimt's well-known works are distinctively recognizable through his use of adorning gold-leaf decoration and the repetition of geometric symbols, spirals and swirls. Klimt was heavily influenced by Byzantine and Minoan icons, mosaics and frescoes. In his paintings, Klimt created an isolated world for his subjects, much like his own reality. She continued painting and showing well into her nineties, a testimony to her compulsion to explore her vision, often reflected in the natural world. Run Through the Jungle - Don't Look Back
by Cynthia Shaffer

Call for Artists: In the Belly of the Beast

Entry Deadline: Friday, May 4, 2012
Exhibition Dates: June 30-July 28, 2012
Reception: Saturday, June 30, 7:00-9:00 p.m.

Artists are encouraged to submit work for this stirring exhibition. The raw force of nature unleashed. The soul of a beast exposed. The sheer power of entities not made by man that humble humanity into feeling small. This exhibit will reveal the essence of the organic: plants, animals, water, earth, sky, fire. Not in the safe, controllable way people see them, but instead showing the dynamic strength and ungovernable temperament that they truly possess. Selected art will focus on Mother Earth in an unaccustomed way. Work may also express the contradiction of what is man-made versus wild. All media accepted; no size restrictions. For more information, visit www.SweetwaterArtCenter.org/call-for-artists-2/.

This exhibition is juried by Cynthia Shaffer, who built her art career in New York, Chicago and Phoenix before moving to Pittsburgh in 1990. She currently divides her time between henna tattooing, teaching art, taking photographs of animals at the Butler County Humane Society, volunteering at the ARL Wildlife Center, and working on her own art. Using bones, dead bugs, stones, feathers and other natural elements, Shaffer creates intricate patterns and mandala designs that juxtapose these components. Her objective is to show the beauty in things most people find repellent. "The color of a Japanese beetle is more exquisite than I can paint. The curve of a pelvic bone is more graceful than I can design. It fascinates me."

The opening reception of *In the Belly of the Beast* will be attended by Pennsylvania creatures saved by the Animal Rescue League Wildlife Rehabilitation Center, with photographs and information about their organization.

IN PERSON: You may register in person at the Sweetwater office. Please see page 1 for building hours.

TRANSFER POLICY: Students may transfer without any charge from one class to another before either class has met twice. A transfer may be made by calling Sweetwater. Transfers may be made only within the same term. No transfers will be accepted once the second class begins.

LATE REGISTRATIONS: Students may register for any class, space permitting, before the second class. However, class fees are not pro-rated, and cancellation decisions are made 2 days prior to the start date.

MEMBERSHIP: Cost of a membership is \$45 for an individual and \$70 for a family. This membership is good for one full calendar year from the date that you apply for the membership. Family memberships apply to immediate family members only. Memberships are non-refundable.

MATERIALS: All materials, unless otherwise noted, will be supplied by students at their own expense. A list of necessary materials will be provided at the time of registration or will be provided by the faculty at the first class.

SWEETWATER COURSE POLICY: Sweetwater makes every effort to maintain the schedule of courses as indicated in the catalogue. However, we reserve the right to cancel courses, change instructors, and combine classes when necessary without prior notification.

CANCELLATIONS & REFUNDS: Sweetwater does not offer make-up classes or tuition reimbursement for student absenteeism. Sweetwater does not prorate tuition for classes that the student cannot attend.

If Sweetwater must cancel a class due to insufficient enrollment, registered students will be notified 2 days before the start date, and tuition will be reimbursed within 30 days of notification. If the student must cancel his/her enrollment in a course, the following cancellation policy will apply:

Class cancellations must be made at least 3 business days prior to the start date of class. Students may receive a partial refund (\$20 cancellation fee will be applied) OR a credit voucher in the full amount if they cancel no less than 3 business days before the class start date. No refunds or credit vouchers will be given without 3 business days notice. Credit vouchers are non-transferable between students.

Inclement Weather Policy Sweetwater makes every effort possible to keep its programs running during periods of inclement weather. Closing decisions are based on weather alerts, road and school closings and the ability of the Sweetwater staff to get to and from the Center and operate the facility safely. **In case of closing and/or program cancellations, Sweetwater will update its website's homepage and main voicemail:** Website: www.SweetwaterArtCenter.org Main Voicemail: 412-741-4405 **PLEASE NOTE: Sweetwater no longer calls students to inform them of class cancellations due to inclement weather.** In the event that Sweetwater cancels a class due to inclement weather, a make-up class will be scheduled. If a make-up class cannot be scheduled, students will be issued a credit voucher or refund for the cancelled class.

CHILD DROP-OFF AND DISMISSAL POLICY: The following policy applies to children enrolled in pre-school, children's, and teen classes (Ages 3-15). In order to keep your child safe, please escort him/her to class every day. If anyone other than yourself is to pick your child up, please write a note and give it to the instructor at class. If you give your child permission to walk home or to meet you outside after class, then you must write a note stating this and give it to the instructor.

ACCESSIBILITY: Sweetwater welcomes individuals with disabilities to our facility and to participate in our various programs. Sweetwater is accessible to persons using a wheelchair and persons with limited mobility on both the lower and upper levels. Sweetwater's gallery, located on the mezzanine, is not accessible for those using a wheelchair or for those with limited mobility. Accessible entrances include the Bank Street entrance (lower level) and Sweetwater's parking lot entrance (upper level). Reserved parking is available for people with disabilities on Bank Street and in Sweetwater's parking lot. For inquiries concerning programming accommodations, please contact Cheron Urbanek at 412.741.4405 or curbanek@sweetwaterartcenter.org. Large print materials are available upon request.

NON-DISCRIMINATION POLICY: Participation in the classes, workshops, camps, scholarship programs and activities of Sweetwater Center for the Arts is open to all without discrimination based upon race, color, creed, religion, national origin, age, sex, sexual orientation or non-job related disability. Sweetwater Center for the Arts is an equal opportunity employer.

POTTERY STUDIO FIRING/GLAZING FEE: Due to the increasing cost to Sweetwater to fire the work of those who are NOT enrolled in a class but who wish to rent our studio and work independently, a firing/glazing fee of \$15 will be charged at the time you purchase your clay. Students who are enrolled in a class, have paid their material fee and wish to work on their projects on their own time are exempt from the firing/glazing fee.

DISCARDED ARTWORK: Sweetwater is not responsible for student artwork left behind at the Center after the completion of a class.
